

平成28～30年度卒業・修了者 進学先一覧（外国人留学生）

工芸科学部

課程・専攻	進学先名称
応用生物学課程 生体分子応用化学課程 物質工学課程 電子システム工学課程 情報工学課程 機械システム工学課程 デザイン・建築学課程	京都工芸繊維大学 京都大学 東京大学 東北大学

KIT AY 2016-18 graduates (international students) enrolled in advanced degrees at the institutions shown.

School of Science and Technology Bachelor's Degree Programs

Major	Advanced Degree Programs
Undergraduate Program of Applied Biology Undergraduate Program of Biomolecular Engineering Undergraduate Program of Chemistry and Materials Technology Undergraduate Program of Electronics Undergraduate Program of Information Science Undergraduate Program of Mechanical and System Engineering Undergraduate Program of Design and Architecture	Kyoto Institute of Technology Kyoto University The University of Tokyo Tohoku University

平成28～30年度卒業・修了者 進学先一覧（外国人留学生）

工芸科学研究科博士前期課程

課程・専攻	進学先名称
応用生物学専攻 生体分子工学専攻 物質合成化学専攻 機能物質化学専攻 情報工学専攻 機械システム工学専攻 機械設計学専攻 デザイン学専攻 建築学専攻 先端ファイブロ科学専攻 バイオベースマテリアル学専攻	京都工芸繊維大学 京都大学

KIT AY 2016-18 graduates (international students) enrolled in advanced degrees at the institutions shown.

Graduate School of Science and Technology Master's Degree Programs

Major	Advanced Degree Programs
Master's Program of Applied Biology Master's Program of Biomolecular Engineering Master's Program of Materials Synthesis Master's Program of Functional Chemistry Master's Program of Information Science Master's Program of Mechanical and System Engineering Master's Program of Mechanodesign Master's Program of Design Master's Program of Architecture Master's Program of Advanced Fibro-Science Master's Program of Biobased Materials Science	Kyoto Institute of Technology Kyoto University
